

From S Oak Street, turn West on 140th St then right onto Lawler St. Take a right onto Industrial Park Rd and then the first or second left (first if you see trucks in the staging area noted above). Take the first right and stay straight into the loading bays. Use Bay 1 (North Bay) for commodity meal trucks and Bay 2 (South Bay) for hulls, bypass Meal, or commodity meal trucks. After loading, take a right to exit onto Industrial Park Rd.
