> 5.0 ppm Subject to Rejection		

Shrink	
We will shrink wet bushels by a factor of 1.4% for each 1% of moisture over 15%. Discounts will be figured on dry bushels.	
Dry bushels will be applied to contracts.	

Buyer reserves the right to reject or discount musty, heating, sour, hot corn, or corn with a commercially objectionable foreign odor. Buyer reserves the right to reject corn with a live insect infestation and with weevils, whether dead or alive. Stones, aflatoxin, vomitoxin, sample grade, or distinctly low quality are also subject to rejection. Corn not grading within the above limits will be subject to negotiation between buyer and seller. Discounts are subject to change without notice.
